

City of Eaton Explore the DORA

What is DORA?

The Downtown Eaton DORA would provide the ability for individuals to walk within the DORA boundaries with an alcoholic beverage purchased from a liquor permit-holding establishment during permitted hours.

When can I enjoy DORA?

DORA is in effect Noon-11PM daily.

Where can I get a DORA cup?

Great question! A participating establishment marked with a gold sticker will give you an official DORA cup. The official cup will be distinctly marked, and no other container will be permitted. Beverages may include wine, beer or liquor sold from the establishment.

Can I bring my own drink into DORA?

No. Patrons cannot bring their own alcoholic beverage into DORA. You can purchase your favorite drink in an official cup from a participating establishment.
